

# 2021 Awards Night

Penhold Crossing Secondary School

Mr. Scott MacDonald  
Principal

*“We at Penhold Crossing Secondary School are so proud of the fact that we get to honour the academic achievements of our students on this day. Academic achievement is the nominal reason for the existence of schools in the first place yet we seem to celebrate it less often than we do other aspects of school life. We would like to take the opportunity to thank the Ford family for their very generous endowment to our graduating students and congratulate all the students honoured tonight for a job well done in a year that was anything but normal.”*

Mr. Earl Dreesen, MP  
Red Deer - Mountainview

*“Congratulations to all the students, staff, and families at Penhold Crossing on persevering through a very difficult school year. A special congratulations to all the award winners on your accomplishments.”*
