

# READINESS FOR THE SKILLED TRADES LEVEL 1

TEC 1000

AEA 3900

Applications due September 9

## PROGRAM DESCRIPTION

In this introductory course, the student will gain an understanding of shop procedures and practices. They will learn the use and care of selected measuring, hand and power tools, workplace safety and common industry practices. The student will construct selected shop projects.

## Student Eligibility & Prerequisites

This program is available to all CESD students:

1. Who are excited about learning and sharing their ideas
2. Who are in grades 10, 11 or 12 and who have an interest in learning about the Trades.
3. Who are able to commit to the duration of the program, participating in learning activities and completing assignments and tests as scheduled, and who can meet regularly with the Facilitating Teacher to communicate about progress in the course and to identify strategies for success.

## Course Outline

Students develop knowledge, skills and attitudes in the practice of workshop health and safety, communication and career planning
